# Acqua

Designed in 2008

shown in Polished Chrome  
with wood blades

The Acqua rotational fan is thoughtfully designed to resemble the molecular structure of water, Earth's most precious resource. The Acqua offers fluid lines and quiet axial rotation. The fan heads can be infinitely positioned in 180-degree arcs for optimum air movement; the greater the angles of the motors to the horizontal support rods (up or down), the faster the axial rotation. A slow, controlled axial rotation is achieved by both fan head position and fan blade speed. Matthews rotational fans circulate heat and air-conditioning more efficiently than traditional paddle fans.

- Available in the following finishes: polished chrome, brushed nickel or textured bronze.
- Constructed of cast aluminum and heavy stamped steel.
- Limited Lifetime Warranty
- The Acqua is available with the following blade options:
  - hand-balanced metal fan head with decorative metal blade guards
  - hand-balanced metal fan head with metal safety cages for low ceiling applications
  - hand-balanced solid wood fan head without blade guards
- Standard equipment:
  - One downrod of 10", 5", 20", 30", 48" or 72" downrods also available.
  - Hand-held and wall-mountable 3-speed remote control.
  - low voltage 50 watt MR-16 GU10 down light
  - Vaulted ceiling canopy for up to 29 degrees.

## Acqua

weight: 27 lbs  
voltage: 110/220

6" diameter

2"

5", 10", 20", 30", 48" or 72"  
field cuttable downrods available

SKU Naming Convention	
AQ-XX-XXX (Model-Finish-Blade Type)	
Finishes	Blade Type
Brushed Nickel - BN	Wood - WD
Polished Chrome - CR	Metal w/ Decorative Cage - MTL
Textured Bronze - TB	Metal w/ Safety Cage - MSAF

39" wood fan head / 37" metal fan head

Increasing Angles of Fan Heads to Support Poles Increases Speed of Axial Rotation  
Optimum Fan Head Position is 60°

CFM: 3949  
(Metal Fan Head)  
Blade Pitch 31°

CFM: 4350  
(Wood Fan Head)  
Blade Pitch 19°

- 1) The Acqua can be mounted with any one of the following downrod lengths: 5", 10", 20", 30", 48" and 72".
- 2) Safety cages available for low ceiling applications.
- 3) The Acqua is compatible with an accessory Lutron decora-style wall control: SFSQ-LF.

\*\*Damp location: All standard finishes. Not recommended for salt water/ocean front applications.
