The Melody oscillating, 3-speed wall-mounted fan, designed in the Art Nouveau style with a grand, arching gooseneck, provides maximum multi-directional airflow. Melody can be mounted in small, awkward spaces or in front of HVAC ducts to make more efficient the heating, ventilation or air conditioning of any space.

- Available in the following finishes: polished chrome, brushed nickel or textured bronze.
- Constructed of cast aluminum and heavy stamped steel.
- Limited Lifetime Warranty
- Equipped with hand-balanced metal blades and metal safety cages.
- 3-speed wall control and side-mounted wall junction box are included.
- A three-wire system is needed to operate the oscillation mechanism independent of the fan blades.
